

Macy Place is an eclectic, fun and unique gift and art gallery in downtown Fond du Lac. We offer a variety of art related team building activities for your employees. Our painting parties can add energy, enthusiasm and creativity to your team. As they enjoy the process of painting they also get a sense of togetherness. We will work within your time schedule and create an event for your group. Painting as a team, colleagues begin to break down the walls, build camaraderie and share the accomplishment of a job well done.

The studio is filled with art by area artists and provides inspiration to your team as they learn to paint with our instructors. We will help you plan your event and make it a success for everyone. No matter their skill level everyone will enjoy completing their project.

Painting projects available include board sign making, acrylic painting on canvas, wine glass painting and tile painting with alcohol ink. Macy Place can accommodate up to 20 people and offers beverages and treats. Lunch can be ordered in from a nearby restaurant.

Are you ready to plan your next team building event? Contact Barb McWithey at Macy Place, 920-254-7887 or email: [barbmcthey@gmail.com](mailto:barbmcthey@gmail.com) for more details.
